## @ YOUR SERVICE

For more than 29 years (1992), Expo Gamma has been your partner and market leader for the rental and sale of displays and showcases for use at trade fairs, conferences, events, brand activation, etc., but also for the project market such as for shops, showrooms, horeca, museums, etc.

Expo Gamma is unique in the rental market. Other suppliers focus on a diverse range with only a few choices in showcases and displays. Expo Gamma has developed as a niche specialist in showcases and displays. We offer a wider choice in our range and also have a large stock.

Excellent service, 24/7 service willing, punctuality and permanent quality control are standard at Expo Gamma! Just 'good' is never good enough for us. And every Expo Gamma customer benefits from this!

All rental and sales items are designed and produced in-house in our own, specially equipped workplace in Wijnegem (Antwerp-Belgium). All articles are also drawn in 3D and can be downloaded for free via our website.

If you would like to rent or buy one of our items, do not hesitate and contact us. We are happy to help you with a tailor-made solution.
